Good Reports from Franklin County. Episcopal Convention in

The eighth sabual festival of the Agri-cultural and Machanic Art Association of Richfield began on Wednesday last, and closes to-day.

Aktun boasts a little on occasion of her exporting were to Germany. The Beacon says that Mr. William Schumacker, who

that it is a , much " bigger thing " than the

Naw York, September 28. At the session of the Episcopal Conven-tion, Ex Governer John A. King, after the address of the Bishop was concluded, offered the following resolution, which was about half-past seven o'clock the Resolved. That this Convention cordially respond to the sentiments presented by the Bahop of the Diocese in his address respecting the return of peace to our land, and the state of the church in southern

The Bishop in his address had said the northern brethren should do all that in them lies to re establish the unity ot the church. There were no nobler spirits n the pale of the church than are to be found in the south. He was happy thus to testily to their warmth, and to express the

FAN FRANCISCO, September 25. The steamship Sacramento has arrived from Panama, and brings dates from Acapulco to the 17th inst.

French war ships had landed 500 soldiers

and taken possession of the town Alvarez had previously, withdrawn his forces, amounting to 1,500. The men were hadly equipped and short of ammunition, but very enthusiastic. The majority of the Mexican population followed him, and was confident of maintaining the cause of Juana throughout the interior of Quere-

tween Norfolk and Lodi at Sacramento on Saturday. The first mile of the heat was won by Norfolk in 1:48, 21 mile in 3'40, and the entire heat in 5.274, Norfolk coming out a length anead. The second heat was also won by Norfolk by six lengths. Boston, September 28. A dashing young woman named Neilie Otis, alias Curtiss, has been arrested here

for the lareancy of \$6,400 in money and Government bonds from a man in New York on Friday night last. The woman considerable excitement among the sport-ing fraternity, exhibiting \$3,000 at a time, visiting the races and paying for thirty-two bottles of wine and other liquors. She placed \$3 300 in the hands of a young man o keep for her, and on his refusing to return \$2 500 of it, she made a complaint to the police office. The man was found and the \$2,500 returned, as was supposed, to the rightful owner. The man from whom the money was stolen in New York then made his appearance and recovered less than half of the \$6,400, out refuses to prosecute

New Swindling Dodge. Naw York, September 28
Some swindler is imposing a new swindling dodgs. An envelope is used, purporting to be, and having pointed upon it in large type, "money package, American Express Co.," and properly addressed and endorsed as coming from the Navy Yard at Washington. The wife of an officer of the Navy was induced to pay seven dollars to the bearer of such a package to-day. She was allowed to open it and read what appeared to be two measages of the American Telegraph Co., directing the payment of prize money to hee husband. Both envelope and freight blank had been obtained by theft or some NEW YORK, September 28

dent says the entire force of Liberals about

the San Juan River has been put in mo-tion, but what their plans are is not known. The plan may be to attack this place at once, or to operate in the state of New Leon, which lies south of this place. NEW YORK, September 28. The official report on the race betten the Wincoski and Algonque states that the economical performance of each vessel was equal; that the arrangement of the Winco-shi's muchinery machinery is the simplest

and most convenient possible, and its econ-

omy in fuel is equal to that given by the very complex design of the Algonque's.
The Herald's Washington special says that the Kentucky delegation, headed by Gov. Bramletts, are still here, and have had a long conference with the President and heads of departaments, concerning af-fairs in that State. They are reported to be united in asking the removal of General Paimer from command, the withdrawal of negro trnops from different parts of the State, and a greater concentration of troops than now exists on its borders, as absolutely necessary to the adoption of the Constitutional Amendment by the next Leg-

has been prepared, and over three hundred pardons are reported to have been stamped with it at the White House yesterday. Gen. Peck, of Mississippi, is among the seekers of pardon now in this city. The Alabama embargo will probably be raised a few days, and the issuing of pardons to citizens of that State will soon thereafter be regularly resumed, as before. The stop-page was caused by a distrust of the action of the State Convention. Late reports, howevyr, remove these apprehensions, and

prove them to have been unfounded.

A fac simile of the President's signature
